

NOVEMBER NEWSLETTER

JUST IN TIME FOR THE HOLIDAYS

Greetings

Welcome to the holiday season! It's difficult to comprehend how quickly November joined us this year! We have been working hard at Crest to help our new students integrate into project-based learning, squeeze out the best of our wonderful weather and begin our community project (details to come next month). As we settle into our routines please join us when you can, most activities are of the "more the merrier" variety.

Check out our Blog

to see what happens in the classroom

Celebrate November's Habit of Innovation

Be a Champion:

We assume the best of others and share kindness with our fellow community members

Podcast of the Month
