

# DECEMBER NEWSLETTER

MAKE THE REST OF 2017 COUNT!

## Greetings

Hello Crest Families:

I hope you're enjoying your Thanksgiving break! Are you going to Monarch this week? Eating pumpkin pie? Walking around downtown? However you spend your week may it be full of quality time with the kids. When we return we have 4 weeks before winter break arrives. This time is traditionally very productive and you should notice several culminating activities that show-case your student's growing PBL wisdom and curiosity!

## Check out our Blog
